

“VOTE TO EXERCISE CONSTITUTIONAL RIGHT-MAYORAL CANDIDATE”

MAPELA: The Mogalakwena Municipality Mayoral Candidate Andrina Matsemela has on Wednesday morning cast her vote at Letlhabile Creche in Mapela Ga-Masoge Village, Mokopane.

“I have this morning visited several voting stations and I am very happy to find enthusiastic people around the village who are determined to vote. It is very important for everyone to exercise his or her constitutional right because freedom is in their hands,” said the Mayoral Candidate Matsemela.

“I reiterate that in the next five years we will continue where we have left off and we will continue providing basic services to our communities as we have done that previously. We have provided water, electricity, roads, RDP houses, sanitation, clinics/health facilities, state of the art schools, free education, libraries, stadiums, jobs, social grants, pensioners grants, you name them,” said Matsemela.

“We thank those who have braved this cold weather to come vote and we are confident that they will come in large numbers during the day. We are confident that the elections will run smoothly and the African National Congress will emerge victorious come end of the day, Amandla,” concluded Matsemela.
